

Maddiline Race-X/XE

reactive adaptations Mako.jpg

The Maddiline Race-X/XE is an Italian-made aluminum alloy handcycle available in manual (Race-X) and pedal-assist (Race-XE) versions. It features an adjustable fork for height and length, a sleek single bent-tube frame, ergonomic backrest, and batteries mounted on a welded plate at the frame base. The XE variant supports Bafang motors from 250W to 750W with 36V or 48V battery options and dual battery capability. Equipped with 220mm Tektro hydraulic front disc brakes, dual rear parking brakes, and full adaptive options for tetraplegic riders. Tire sizes from 27.5"x1.75" to 2.6".
