- Dream Adaptive Recreation

Dream Adaptive Recreation

DREAM Adaptive Recreation enhances the quality of life for individuals with disabilities by providing year-round outdoor adaptive recreational opportunities. They offer individualized lessons, private sessions, and group events in various sports including adaptive mountain biking, paved path cycling using their fleet of handcycles and recumbent bikes, paddle boarding, kayaking, and motorized water sports.

Pricing Info

Private cycling sessions (including adaptive mountain biking and paved path cycling) cost $50.00 per session. Military veterans and active duty military with a disability participate in all programs free of charge. No specific prices are listed for general group rides, implying they might be included after an initial private session or free.
